

Washington Association of Conservation Districts

Funding Opportunities for Washington Conservation Districts

April 3, 2024

WACD is partnering with the [Washington Conservation Society](#) (WCS) to share grant opportunities! Please note that some funders require your conservation district to use a 501(c)3 entity as a fiscal agent (also called a [fiscal sponsor](#)). Conservation districts can choose to partner with the WCS or another non-profit if a fiscal agent is needed.

Funding Entity	Areas of Interest	Location	Application Process	Due Date
Urban Agriculture and Innovative Production Competitive Grant Program	This grant provides funding for outdoor places to play; protecting green spaces within the community, including planting trees, and seagrass; and programs that support community, native, or pollinator gardens, including community composting.	Washington State	On-line Grant Application	4/9/24
Two for the Trails	Funding for projects includes education and advocacy; native people	Washington State	On-line Grant Application	Summer 2024

history and preservation;
recreation, including
biking, climbing, hiking,
snow sports, UTVs, and
water use; youth summer
camps; and, urban
greenspace, such as city
parks.

Pratt & Whitney E-STEM Awards	Administered by the North American Association for Environmental Education, funding supports programs that engage students in meaningful STEM (science, technology, engineering, and math) learning experiences through environmental problem-solving.	Washington State	On-line Grant Application	Spring 2024

The Paul G. Allen Family Foundation	This RFP seeks place- based Natural Climate Solution projects in the PNW to accelerate climate change mitigation, while also providing biodiversity and human well-being co-benefits. The foundation is particularly interested in projects that are community-driven and done in partnership through collaborations.	Washington State	On-line Grant Application	4/12/24
