Funding Opportunities for Washington Conservation Districts

September 25, 2024

WACD is partnering with the [Washington Conservation Society](#) (WCS) to share grant opportunities! Please note that some funders require your conservation district to use a 501(c)3 entity as a fiscal agent (also called a [fiscal sponsor](#)). Conservation districts can choose to partner with the WCS or another non-profit if a fiscal agent is needed.

Funding Entity	Areas of Interest	Location	Application Process	Due Date
SBP Share Grant - 2024 Preparedness and Resilience Micro Grant	This grant provides funding for organizations to support individuals in areas at high risk for extreme weather or climate change impacts (wildfires/flooding). Resilience and preparedness measures to support these at-risk households can be supported by this grant.	Washington State	On-line Grant Application	11/1/24
Drinking Water Providers Partnership	The goals of this funding opportunity are: 1) Restore and protect the health of watersheds which communities depend upon for drinking water while also benefiting aquatic and riparian ecosystems, including the native fish that inhabit them. 2) Support local partnerships between drinking water providers, landowners, and restoration practitioners.
