

Washington Association of Conservation Districts

Funding Opportunities for Washington Conservation Districts

December 31, 2024

WACD is partnering with the [Washington Conservation Society](#) (WCS) to share grant opportunities! Please note that some funders require your conservation district to use a 501(c)3 entity as a fiscal agent (also called a [fiscal sponsor](#)). Conservation districts can choose to partner with the WCS or another non-profit if a fiscal agent is needed.

Funding Entity	Areas of Interest	Location	Application Process	Due Date
AgWest Farm Credit Rural Community Grant Program	This grant program provides support for projects that improve rural communities. Supported efforts can include building or improving facilities; purchasing necessary equipment to facilitate a local program; and capital improvements that enhance a community's infrastructure, viability, and prosperity.
