

Washington Association of Conservation Districts

Funding Opportunities for Washington Conservation Districts

December 12, 2025

WACD is partnering with the [Washington Conservation Society](#) (WCS) to share grant opportunities! Please note that some funders require your conservation district to use a 501(c)3 entity as a fiscal agent (also called a [fiscal sponsor](#)). Conservation districts can choose to partner with the WCS or another non-profit if a fiscal agent is needed.

Funding Entity	Areas of Interest	Location	Application Process	Due Date
