

WASHINGTON CONSERVATION SOCIETY

Partner Report

The Washington Conservation Society (WCS) is excited to announce that we have updated the Leaving a Legacy Program to allow for the induction of living members of our conservation community that are working on leaving a legacy. We will create two sections in the book to accommodate the new inductees. To nominate someone, visit:

<http://www.waconservationsociety.org/projects-and-programs.html>

Applications for the Conservation Futures Scholarship Program open January 1st. The WCS will award one scholarship in the amount of up to \$1,000. This merit-based scholarship supports college students (entering and current) with a demonstrated commitment to natural resources conservation through their coursework and/or community involvement. For more information visit: <http://www.waconservationsociety.org/scholarship-program.html>

WCS is proud to announce the creation of the Envirothon Tribal Team Scholarship Program. The program will provide funding of up to \$500 per team for a maximum of two teams to help defray the costs of participating in the Washington State Envirothon. More information coming soon!

WCS is still partnering with Amazon Smile. AmazonSmile is a website operated by Amazon with the same products, prices, and shopping features as Amazon.com. The difference is that when you shop on AmazonSmile, the AmazonSmile Foundation will donate 0.5% of the purchase price of eligible products to the charitable organization of your choice. Donations will go to support WCS activates like our mini-grant program. Please consider making WCS your Amazon Smile charity of choice!
